

## URBAN STORM DRAINAGE CRITERIA MANUAL

Since 1969 the Urban Drainage and Flood Control District has maintained and distributed the Urban Storm Drainage Criteria Manual which consists of three volumes: Volume 1 and 2 provide guidance for planning and design of drainageway channels and hydraulic structures and Volume 3 provides guidance for the selection and design of stormwater quality best management practices.

Volume 3 was completely revised and reprinted in 1999. It is available only by download. Volumes 1 and 2 were completely updated in 2001. Volumes 1 and 2 can be purchased in hard copy **without** current revisions or it is available as a download.

To order the Urban Storm Drainage Criteria Manual---click on the Order Forms button, print a hard copy, complete the form and return it with your payment to:
